Transport

Exercise 9: Weekend

Interviewer: Is weekend important to people?

Candidate: Definitely. Weekend is the time for people to have relaxation and enjoy their free time with their friends or family.

Interviewer: Do you think people should get more money if they work on weekends?

Candidate: I believe so. If people work on weekends, they can't stay with their family. They deserve higher pay.

Interviewer: Which day do you like more, Saturdays or Sundays?

Candidate: Like most people, I prefer Saturdays because on that day, I don't have to get up early. I also stay up late Saturday night and I have another day free.

Interviewer: What do you often do on that day?

Candidate: I surf the internet for some news and then I will go to gym to do weight training. Sometimes, I have meals with my friends.

Interviewer: Do you think that people will spend more money on weekends?

Candidate: I guess so. People spend money shopping on weekends, buying daily necessities. Young people visit their parents and they spend money buying fruit or some nutritional products for their elders.

参考答案

Interviewer: What transports are there in your city?

Candidate: People in my city go to work or travel by bus, taxi or city train. The most popular one is motorcycles. People cannot ride bikes as my city is hilly and the roads are bumpy.

Interviewer: Which is your favorite?

Candidate: I prefer to take the city train as it is clean and you don't worry about traffic jams.

Interviewer: What do you think of your city's transportation system?

Candidate: Well, it has improved a lot in the past years, and the city council has invested money on the road construction. The road conditions are much better.

Apartment

Exercise 17: Apartment

Candidate: What kind of place do you live in? Which room is your favorite?

Interviewer: I live in a large flat, and my home is on the top floor. There are 4 bedrooms, a living room, 2 bathrooms and a kitchen.

Candidate: My favorite room is my bedroom. I like the decoration in it. I chose the curtains by myself.

Do you like your living environment?

Sure. There is a garden for people to do exercises or take a walk. There are some bamboos in the garden. Besides, we also have sports facilities in the community, where people do exercises in the morning or afternoon.

Is it good or bad for children?

It's good for children. They are a lot of teenagers in our community. It's easy for them to find peers to play with.

Is there anything for improvement?

Well, the only thing for improvement is the parking lot. It's really difficult to find a parking place in my community. The roads are narrow.

Interviewer: What kind of place do you want to have in the future?

Candidate: I'd like to own a garden and plant some trees and flowers in it. I like to be near the lake.

Interviewer: What kind of living place is popular in China?

Candidate: Most Chinese people live in flats, and they have 2 or 3 bedrooms, a bathroom and a kitchen.
