雅思写作考试议论文对中国考生的难点 (The Hurdles in IELTS Writing Test)

2007年—2008年最新真题播报

Schools offer a wide range of courses, such as

physical education,

music,

economics,

philosophy,

math,

English ,

geography,

physics and history. Of all these subjects, which one do you think is the most important and which one is the least important?

Some people think imported food exerts positive impact on our lives. To what extent do you agree?

An American film actor once said, "Tomorrow is important and precious."

Some people think individuals and society should pay more attention to the future than to the present. Do you agree?

An increasing number of people choose to live in big cities. What problems will this cause? Should the government encourage people to live in small towns?

Some people think humans can exploit animals for any purpose that they need while others disagree. What is your opinion?

Unemployment is increasingly serious in many countries. Some people think students only need to get primary education while others think secondary education is necessary. To what extent do you agree?

Old generations often hold some traditional ideas on the correct way of life, thinking and behavior. Most people argue that it is not helpful for the young generations to prepare for modern life in the future.

What is your opinion?

Some people think to lower the crime rate, criminals should be given longer terms in prison. To what extent do you agree?

Some people believe children spending time on TV, video and PC games is good while others believe that is bad. Discuss both views and give your own opinion.

We can see more image of disasters and violence shown on TV. What are its causes and what effects will they exert on the individual and society?
