

雅思强化口语精讲班第 6 讲讲义

Photo

Exercise 19: Photo

Candidate: Do you like to take photos?

Interviewer: Yes. When I go traveling or have a birthday celebrations, I take photos with my friends or family members.

Candidate: How popular is it to take photos in China?

Interviewer: I guess most people like to take photos, and they help people keep the important moment.

Candidate: What kind of photos do you like?

Interviewer: I like digital photos because I can edit them. I save them in the computer and send them to my friends by email.

In what kind of situations do you take photos?

I always take photos when I have a get-together with my friends. We haven't seen each other for a long time, and we need to take photos to commemorate the event.

Could you tell me one of your happy experiences of taking photos?

Well, it's really hard to think of the experience. I went traveling in Sichuan three years ago, and I took photos with a lot of wild animals. It was fun.

Exercise 20: Food

Which meal is most important to you, breakfast, lunch or supper?

Well, to me, breakfast is most essential. If I don't have breakfast, I'm going to have stomachache as time goes by.

Which meal do you like best?

I prefer to have supper with my family or friends. That's the time for me to have communication with them. It's fun to talk to them.

Do you think we should have more meals or have much at one meal?

I suppose we should have more meals as long as we have time. In this way, our stomach won't have too much burden, and it has more time to digest the food.

Family

Exercise 21: Family

How much time do you spend with your family?

The only time for the family member to have a get-together is the dinner time. We exchange our daily experience. On weekends, we may go to the parks or go shopping together.

What's the occupation of your parents?

参考答案

How much time do you spend with your family?

The only time for the family member to have a get-together is the dinner time. We exchange our daily experience. On weekends, we may go to the parks or go shopping together.

What's the occupation of your parents?

My father is a businessman and my mother is a nurse.

Painting

Exercise 24: Painting

Do you like painting?

What's the influence of painting on children?

What are the benefits of painting for adults?

What do you think of practical skill and theoretical knowledge?

Which one is more important?

参考答案

Candidate: Do you like painting?

Interviewer: I don't like it. I have never learned to do it.

Candidate: What's the influence of painting on children?

Interviewer: It's beneficial to them. They have better sense of beauty if they can paint. They learn to have the skill of observation.

Candidate: What are the benefits of painting for adults?

Interviewer: They forget their troubles and worries when they paint. They have the peace of mind in the process of painting.

Candidate: What do you think of practical skill and theoretical knowledge?

Interviewer: It doesn't mean that you will do it well if you have theoretical knowledge.

Candidate: Which one is more important?

Interviewer: I guess the practical skill is more important. You can make use of it in daily life, but theoretical knowledge is not so useful.

■ Do you think the art is important to life?

■ Art brings enjoyment to beings. Music, Caricature, Painting, Poetry, and so on are different ways to express the feelings of all humans.

■ What kind of art do you like?

■ Music is my favorite as it is not only enjoyable but also teaches us many things. It tells us about the different cultures and traditions. Every kind of music represents different culture and age. It also helps us to know ourselves and our ways of thinking. I especially love singing and dancing. It gives me a lot of fun by watching the show.

■ What kind of art experience did you have when you were young?

■ Oh, this question reminds me of my trip to an art gallery. My father told me how to appreciate the paintings, and from then on I began to show interest in it.

■ What kind of art are you good at?

■ I am good at Chinese painting as I learned to do it ever since I was a child. I have been practicing it for about ten years.

Weather

Exercise 24: Weather

Examiner: What kind of weather do you like?

Candidate: Well, I like sunny days. I enjoy the sun and fresh air. When it's gloomy, I feel awful and depressed.

Computer

What do you do with computers?

I always surf the internet to read some news or novels. Sometimes, I play online games with my friends. We play poker online.

Do you think that children should learn to use computers?

I don't approve of the idea. They are going to have internet addiction as their self-control ability is low. Or maybe some children are going to have back troubles if they sit in front of computers for a long time.

Do you think that life is better with computers?

Computers really bring convenience to our life. We don't have to go shopping in the department store. We just stay at home, click the mouse and then the goods are going to be delivered to our front door.

When did you begin to use computers?

I got to operate the first computer when I was in the primary school. I was about ten years old, and my best friend got one. I also had the chance to use it.

New people

Do you like meeting new people? Why?

I am the quiet type and I am shy in front of strangers. I don't know what to say to break the ice.

Please tell me about an interesting person you knew recently?

I had dinner with my friends a couple of days ago, and I got to know a friend of my friend. He was humorous and he told a lot of jokes to us.
