

雅思强化口语精讲班第 7 讲讲义

Age

Age

What's the most important age in your culture?

Any age is important in my culture. We are like the rising sun in our twenties. We are full of energy and passion. We have the pleasure of retirement in our sixties or seventies.

Do people have different pressure at different ages?

Yes. Old people worry about their health. Young people are concerned about their future. For example, I really want to have my own career in the future.

Did you have a happy childhood?

I guess not. I was forced to learn a lot of skills when I was young. I went to calligraphy class, painting class and karate class. My childhood was a nightmare.

What's the happiest age for you?

It's really hard to think of the answer for this question. I was happy when I was six years old. I was staying with my grandparents at that time. I had a lot of pals to play with.

Relax

Relax

What do you do in your leisure time?

What relaxation do people around you like?

Why do people need leisure?

What will you do if you have extra spare time?

How can people have more spare time?

TV vs Radio

TV vs Radio

这部分的问题与考生的答案有关。考生如果选择 watch TV, 那么后面的相关问题都是与电视有关。否则考生就要准备听收音机的问题。

Do you like to watch TV or listen to the radio?

I prefer to watch TV as the program is more attractive. I watch TV after I finish my supper and the housework.

When do you watch TV?

I watch TV for one or two hours every day. I watch from nine to ten o'clock. Then I will read some books and go to bed.

What's your favorite program?

Oh, there is a program which is intriguing. It is called "who is talking". It reveals the innermost of people who encounter psychological problems.

Housework

Housework

Do you do housework?

Well, I rarely have the time to do it. I just relax at home.

Who does the housework in your family?

There is a cleaning lady who comes to my home once a week to do the cleaning.

What housework is there?

She is going to clean the room, do the laundry and clean the window for us.

What kind of housework is most important?

I guess we must do some cleaning; otherwise the room will be in a mess. As for the clothes, we can take it to the laundry.

What housework do you like and dislike?

I really hate doing the dishes. My hands become too sticky and greasy.

What changes are brought by modern technology into housework?

Well, washing machine is useful to us. In the past, we had to wash clothes by hand, but now we just put the dirty clothes into the machine, press the button and everything is done.

Newspaper

Newspaper

When did you begin to read newspaper?

I could read at the age of six. At that time, I read newspapers for the children. There were a lot of photos on the newspaper.

What's the difference between Chinese newspapers?

Some newspapers are about entertainment news, sports news or financial news. Others provide information about shopping or helping people to find accommodation
